*A Public Service of Healing*

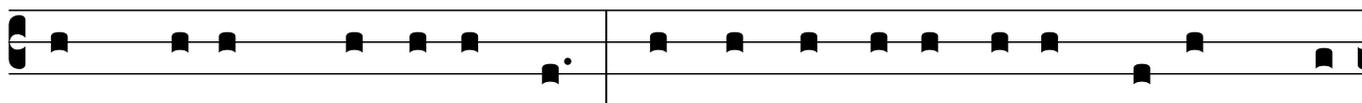

**V** The Ho-ly Gospel of our Lord Je-sus Christ according to Luke.

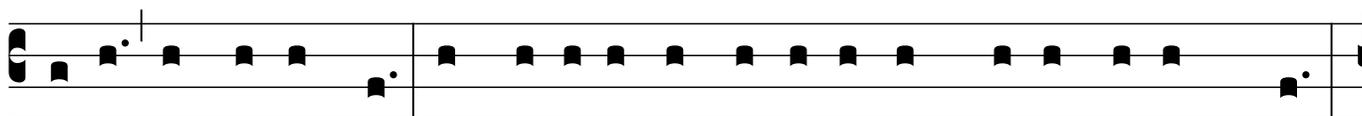

*R* *Glo-ry to you, Lord Christ.* After leav-ing the syn-a-gogue Je-sus entered Si-

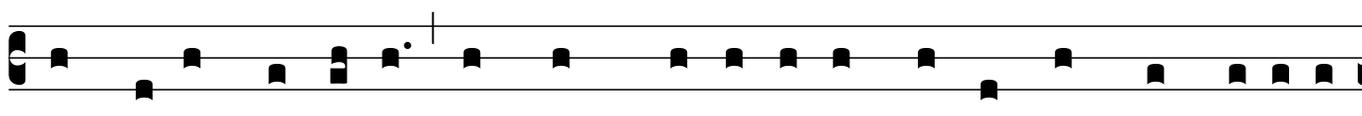

mon's house. Now Simon's mother-in-law was suffer-ing from a high fe-ver,

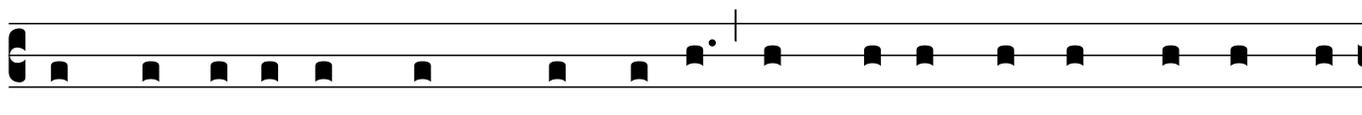

and they asked him about her. Then he stood o-ver her and re-buked the

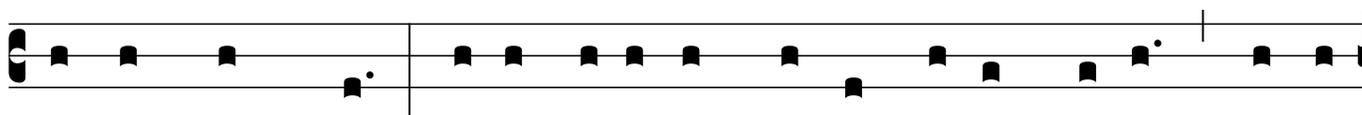

fe-ver, and it left her. Imme-di- ately she got up and be-gan to serve them.

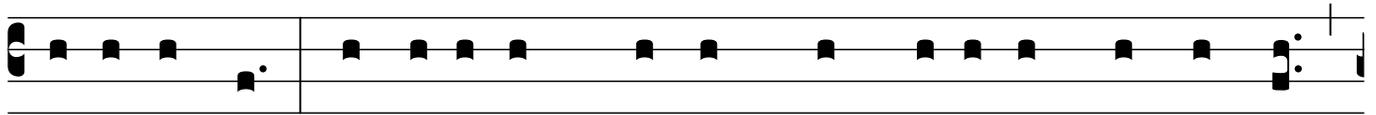

As the sun was set-ting, all those who had an-y who were sick with var-i-ous

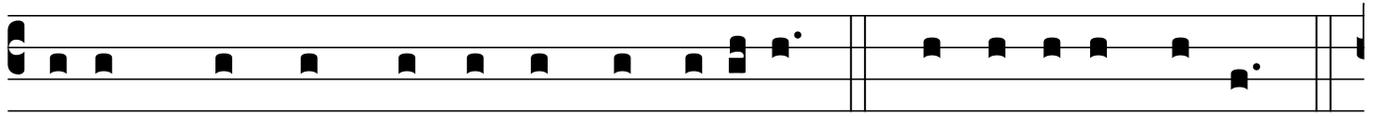

kinds of dis-eas-es brought them to him; and he laid his hands on each of

them and cured them. Demons also came out of man-y, shout-ing, 'You are

the Son of God!’ But he re-buked them and would not al-low them to speak,

because they knew that he was the Messi- ah. ¶ The Gospel of the Lord.

℞ *Praise to you, Lord Christ.*
